Press Release Body: (Tyler, TX) January 21, 2008 - www.AirGunWarehouseInc.com, a retailer of air rifles, air guns, bb guns and an assortment of tactical gear, today announced the addition of over 2000 new products to its inventory of air soft guns and hunting equipment.

Air Gun Warehouse provides a huge selection of tactical gear, air soft guns, pellet guns, bb guns, air rifles as well as accessories with a focus on bringing the most accurate and high performance tools to hunters nationwide. Customers can find the newest arrivals of top brands including Gamo Air Guns, Crosman, Remington, Beretta and more. From traditional rifled steel barrels to fully jacketed bull barrels, new items can be found among the latest additions offered at www.AirGunWarehouseInc.com.

*"We're excited to offer shoppers even more choices in selection of quality air guns," stated **Rick Harvey, spokesperson for Air Gun Warehouse**. We take tremendous pride in offering a wide variety of tactical tools and recreational air soft guns, giving customers the*

benefit of choice, regardless of price range, brand preference or skill level," Harvey concluded.

Ideal for handling small pests, rodents, fowl and small game hunting as well as recreational target shooting, air soft guns and bb guns provide an alternative to other weapons and firearms. There are many types of air soft guns available with state of the art scopes, manufacturing and enhanced functionality. For novice hunters, items such as the **Crosman Starter Kit**, which includes all the basic equipment needed to get started, can be found for as low as \$59.95. Most air guns offered at **Air Gun Warehouse** range in price from \$25 upwards to about \$250 depending on style, upgrades, brand and features. Customers can also shop for the latest in tactical gear, hunting knives as well as ammunition, scopes, cleaning supplies, clothing and array of other accessories.
