Press Release Body: Westminster, CO January 15, 2008

After five months of dynamic growth the **Reverse Funnel System** is getting ready to launch their second income stream.

When the **Reverse Funnel System**; headed up by **Ty Coughlin** and his team of highly successful top Internet marketing entrepreneurs, launched late last summer, associates flocked to this Internet opportunity like kids to chocolate cake. Most were attracted to the promise of a proven system and the opportunity to make money quickly. "**Systems Work, People Fail...It's That Simple!**" the company tagline has certainly kept its promise.

The **Reverse Funnel System** business model is designed around multiple streams of income. Income stream one of this powerhouse system is the automated marketing system for **Global Resorts Network**, a high demand product in the 8 billion dollar a year travel industry. Members enjoy low cost travel to 5 star resorts all over the world.

The success of this Internet business has been phenomenal. Hundreds

of new associates are joining this business daily. To date the company has paid out more than \$7 million dollars in commissions. This is extraordinary growth for a company just five months old.

Now the beach bum and his inner circle are getting ready to launch the second income stream. They have not yet disclosed the details of this investment opportunity; however it is designed to piggy back off the first income stream. Those who have been successful with the first leg of the system will have an opportunity to join stream two.

In a recent nightly training call, **Ty Couglin** stated, *"I can't tell you what is coming in 2008, but I can say you're in for a great ride."*

These are exciting times for members of the **Reverse Funnel System**. This kind of growth and opportunity are what people are looking for in a network marketing company. The **Reverse Funnel System** is living up to its promise of **"buying into a real business"**. This is a home based business well worth looking into.
