Press Release Body: Do You Suffer From Sinus Problem?

February 11, 2008 Newark, NJ .If you suffer from sinus problem there is help out there for you. **American Candles of Newark, NJ** had developed a sinus candle that offers a powerful relief for sinus problems. Many customers that had tried our sinus candle have stated that they had significant results.

The result that customers had experience was clearer nasal passage that allows them to breathe better. Other customers have notice reduce headaches and a better night sleep just by opening the jar candle and placing the unlit candle next to their bed at night.
