Press Release
Body: **LifeChecks** is known for having uplifting

check designs that often feature Scripture verses. These personal checks offer consumers a way to express their religious beliefs. "**Zen Lotus**" fits into the existing **LifeChecks** line with its magnificent images of lotus blossoms and words to live by.

On October 9, 2008, **LifeChecks** released the new "**Zen Lotus**" check design through its website, www.lifechecks.com. With pink, yellow, green, and purple backgrounds, the personal checks feature gorgeous lotus flowers in full bloom. In addition to the lotus blossoms, the check design also portrays gentle reminders to always be loving, healthy, mindful, and respectful of others. The corresponding self-adhesive address labels are identical to the checks while the personal contact cards feature a purple background with an open lotus beneath the words "be mindful." Additionally, the canvas checkbook cover features a large pink lotus against a similar pink background.

With so many outstanding designs that feature enlightening words and artwork, **LifeChecks** is able to appeal to the likes of many consumers. Because it offers religious and spiritual designs, **LifeChecks** is able to set itself apart from other check printing companies. These check designs will brighten the day of anyone that sees them. A visit to the site is sure to bring something you love and will want to share with everyone.

About

Since its inception in 1999, LifeChecks has prided itself on offering religious and spiritually based check designs. By combining beautiful artwork with uplifting messages and Bible verses, LifeChecks is able to help many people spread their beliefs in a subtle and meaningful way. To view all the amazing designs, visit the site and find something that you love!
