Industry: [Advertising](#)

**Press Release Summary: Many Small Businesses are paying a monthly charge for a free service. Unscrupulous sales companies prey upon these companies with offers of top placement listing in the local directories such as Google, Yahoo, MSN, YellowPages, etc... What they don't tell you is that submitting your site to these directories is free and there are no monthly fees to continue your listing.**

Press Release Body: **Skyabovelocal.com** offers an honest and direct approach to getting you business listed where people are looking. For a one time fee, **Skyabovelocal.com** will list your business on the top directories. **Skyabove** creates individual accounts for each client and

upon completion of the listing, all account information is transferred to the business owner. That way the business owner owns their listings, not some sales company that will delete your listing if they do not receive a monthly fee.

Owning your own listings gives you several advantages and tools you can use right away.

Free Websites and Webpages, Blogging systems, Coupon creation, Picture storage, Video creation and hosting.

**Skyabovelocal.com** wants to help your business grow and save you money.

**SkyaboveLocal.com** creates or claims your business listings on Yahoo, Google, SuperPages, YellowPages and MSN Live

We help you get rid of that monthly fee you're paying now.

We put the power back in your hands

We give you access to our members only resources

We have a one time charge and NO monthly fees.

We include a custom video for your business and list it everywhere!

In addition, we also list you on SuperPages, YellowPages and InfoUSA.
