"Helena and the orchestra of the world of mist" is the first musical fantasy [audio book](#) to be created in video. The audio book is fully dramatized with music and sound FX, illustrated by [fantasy pictures](#), 3D artwork, and [photos](#).

The story takes place in a fantasy world where dragons, wolves, horses, queens and sorcerers live. Helena is a young piano virtuoso, reminding of a young Helene Grimaud. Her best friend is a grey wolf named Ama. She will soon meet the dark Queen Teresa Wagner mounted on her huge fire breathing dragon. This fantasy novel will take you to the cathedral, the black fortress; will reveal the prophecy and many dark projects.

This very innovative concept is released on a free download website, in streaming video, mp3, text, music soundtrack and more. www.musicaltales.com/helena is available in six languages as well.
