For this entire month woman's retailer Roman Originals are offering a much desirable promotion - the chance to win a free summer wardrobe of clothing worth £250. If that is not enough, the women's wear company are also providing free delivery for those orders over £75, not to mention an extra 10% off all orders.

Roman Originals have announced all new promotions and a new summer collection range. The new summer collections are available in a glorious array of colours and materials, easily mixed and matched to instantly update those summer wardrobes. The new range focuses on fully accentuating and embracing the female form. By combining modern designs and quality

fabrics, Roman Originals continue to produce womens clothing that regards key assets that are essential to creating a fully functional wardrobe; style, everyday comfort and practicality.

This long standing fashion boutique has a vast and dynamic selection of womens clothing, always providing their loyal customers with value for money garments. Roman Originals has an array of chic [evening blouses](#), coats, dresses, jackets, knitwear, skirts, suits, tops, trousers not to mention a fabulous range of elegant evening wear. The stunning occasional wear collection, now offers a new collection of wedding dresses ranging from £80 with free delivery.

Roman Originals new summer collections have a vast variety of womens clothing to suit all shapes, sizes, seasons and occasions. All garments, whether it is occasional wear or comfortable day wear attire, are all available in sizes 10-22. Additionally, if customers are in fact unaware for their exact size, Roman Originals now offers an added bonus of a size guide section. This onsite size guide section cleverly converts measurements taken in centimetres or inches, into a Roman Originals size. As a result, customers are now guaranteed the perfect fit with no excuses.

Roman Originals has brought quality clothing to the high street for over 50 years now. Roman Originals listen to their customers, especially during this current economic climate. This progression means that the all clothing, including the [evening wear](#) ranges continue to be of the highest quality at entirely affordable prices. The clothing provided is designed with women of all ages and sizes in mind. With all of this taken into consideration, customers are returning time and time again with confidence in the longevity of style and standard of the garments.

All ladies clothing and accessories are designed and manufactured in house and available in over 150 outlets across the United Kingdom. Orders made online are available to those that reside in the United Kingdom and Northern Ireland. Deliveries are made throughout the year from Monday to Friday.
