Dear Reader,

I take opportunity, on CEOWORLD magazine anniversary 19 of July, with immense pleasure to inform you that our editorial team of CEOWORLD magazine has decided to launch a digital monthly version of its magazine this September, allowing readers to download over the Web.

Our decision to go for digital edition was influenced by many factors.

First of all, it is because of you – our readers.

CEOWORLD Magazine had 4,332,627 page requests in June 2009. Due to economical crisis, CEOWORLD magazine was fluffing the “appetite” business and technology news and reviews all over the world. We got many request from our readers for subscription that is why we would like to deliver you monthly at your mail digital edition of CEOWORLD magazine.

launching in September 2009

Why to go digital? Even though we have majority of our readers coming from United States and Europe we notice we have had in a day of Memorial of MJ more than 90 countries visitors.

We want to deliver you a digital copy in wherever corner of the World you are, which time you chose to get it. You will be able to subscribe to the monthly online version, package of 3 months subscription, 6 months and a year starting with the September issue.

You will also be able to purchase single copies of the digital magazine edition.

The first issue of CEOWORLD Magazine Digital edition, which will be distributed free of charge to around 2, 50,000 industry figures internationally.

"There is a new generation of readers emerging; "global village" reader so expanding our online offerings makes sense. This is the launch of a significant and very exciting service to our readers." said Milena Golda, Editor-in-Chief of CEOWORLD Magazine.

It claims to be the first ever digital monthly business and tech magazine for chief executive officers (CEOs), entrepreneurs and other enterprise technologists. It will provide Business, Finance & Technology news, reviews and analysis.

The new monthly business and tech digital magazine, scheduled launch in September, will be overseen by Milena Golda, who also serves as an Editor-in-Chief for CEOWORLD Magazine.

Company plans to incorporate ad-sponsored links and advertisement in its new online product, she added. To advertise your product or content, you can contact the CEOWORLD Magazine Marketing Director Izabela Majos majos@ceoworld.biz

"We're very aware of the need to produce something compelling and different by creating a tailored product for readers, it will be produced and delivered as a down-loadable PDF file, laid out in the form of a magazine, complete with a cover and table of contents" says Izabela Majos Marketing Director of CEOWORLD magazine.

Still we will deliver you daily free of charge news and reviews; our digital edition will go beyond of it delivering you extra special reviews and reports.

Once again thank you. You made it happen. Stay with us.
