Lloydspharmacy is to become the first major healthcare brand to supply Tamiflu online. Customers can now buy Tamiflu via the Lloydspharmacy Online Doctor service.

"We are playing as full a role as possible in the distribution of [Tamiflu](#) to NHS patients," said Andy Murdock, Governance and Pharmacy Relations Director of Lloydspharmacy, "but it is clear that there is a significant demand for private prescriptions of the drug.

Swine flu antiviral IN ADVANCE - £48.50

Plan ahead for when you need it

"We have decided to become the first recognised healthcare brand to sell Tamiflu online in advance of need so that people who want to buy the treatment can get it from a reputable online source which they can trust to dispense Tamiflu."

[Lloydspharmacy's Online Doctor](#) service is run in partnership with online health experts Dr Thom, the only online doctor to be regulated by the Care Quality Commission* specifically to [prescribe medicines](#) online.

Packs of 10 x 75mg Tamiflu will be available via the [online pharmacy](#). All medicines will be dispatched using Royal Mail Special Delivery for delivery the next working day.

"Anyone displaying symptoms of swine flu, would be advised to call the NHS service appropriate to their area," said Andy Murdock. "The Lloydspharmacy

service is for people who want to ensure they have Tamiflu available if and when they need it and for people who will be travelling abroad at some point in the future.

"In the information sent out with every Tamiflu order Lloydspharmacy doctors will explain the symptoms people should look out for and the circumstances under which they should begin treatment."

Lloydspharmacy has pioneered the development of online diagnosis and [prescriptions](#). The Lloydspharmacy Online Doctor service is expanding and already offers treatments for impotence, hair loss and cystitis plus oral contraceptives, sexual health tests and travel medications.
