[Malibu, CA] - Affluent addiction victims typically seek care from luxurious private rehab clinics. Unfortunately, that search is often impeded by a lack of information about the world's most elegant treatment facilities.

That's about to change.

LuxuryDrugRehab.com is pleased to announce a new referral service linking affluent addiction victims to the best treatment and recovery facilities on earth. The goal of LuxuryDrugRehab.com is to help those victims find the facility that's exactly right for them. To do that, the service provides clients with expert personal advice and a thorough understanding of the treatment options available to them.

The differences between and among "luxury" [rehabs](#) makes that sort of enlightenment especially important.

The best treatment facilities are those which pay closest attention to detail. Rehab is a delicate process, after all, one that can only be successful if it's

done exactly the right way. As should perhaps be obvious, the most meaningful kind of luxury rehab begins and ends with a keen emphasis on the little things. In the end, there's simply no better way to ensure a positive outcome to the rehab experience.

Unfortunately, those principles aren't always put into practice.

All luxury rehabs pay lip service to the importance of comprehensive service. But only a handful of institutions actually live up to their words. Indeed, many of the most high-priced treatment facilities in Los Angeles cut corners in their pursuit of luxury, skimping on everything from meals to bed sheets. It should come as no surprise that those facilities rarely help their clients achieve meaningful recovery.

Given the stakes in the fight against addiction, those sorts of failures can lead to disaster.

It's no secret that addiction is a devastating disease. LuxuryDrugRehab.com was founded to ensure that that devastation doesn't become the end of the story. Successful addiction treatment really does change lives. As LuxuryDrugRehab.com's clients have learned firsthand, the future can and should be far, far brighter than the present.

"I just want to say thank you," reads one of the testimonials on the LuxuryDrugRehab.com Web site. "You found me a rehab center where for the first time I was able to get the healing I needed in a quiet, private space with constant attention. It was exactly the kind of space I needed to heal."

LuxuryDrugRehab.com is a referral service dedicated to connecting callers with the right drug or alcohol [rehab](#) center.
