RIDGEWOOD, New Jersey – August 20, 2009 - Accession Technology, now offers the Applianz System Reducing the Cost and Time of Implementing Accounting software systems.

The Applianz System for [Sage MAS 90](#), Sage MAS 200, [Sage MAS 500](#) and Intuit QuickBooks Enterprise Solutions accounting software is an all-inclusive total solution preinstalled on a highly reliable network server for both existing customer upgrades and new prospects. You will have all the power and flexibility installed and running in minutes instead of days. The system arrives preinstalled with the correct operating system, user licenses, and MAS 90 Sage MAS 200, MAS 500, and QuickBooks Enterprise Solutions. The systems plug-and-play technology removes any potential complexities of integrating MAS 90 MAS 200, MAS 500, and QuickBooks Enterprise Solutions into other servers or desktop PC's. The Applianz also gives the ability to add securely connected remote users at any time, from any location.

"By using the Applianz technology it will reduce the startup costs and provide more flexibility for our clients." said Aric Shelko, president of Accession Technology.
