Industry: [Internet & Online](#)

Buffalo, NY – August 26, 2009 – Web users everywhere have a new way to celebrate their loved family and friends at [www.ILoveThisPerson.com](http://www.ILoveThisPerson.com). The I Love This Person website gives people an easy way to create permanent online dedication web pages for their loved ones. This is the perfect present any time of year, or simply a happy surprise. Don't just tell the person, tell the whole world!

People can create a customized dedication page for any person they admire, respect, or love. Dedications are especially great for a family member or friend.

Dedications can be anonymous, or the creator can display his or her name.

Users can create an editable lifetime dedication web page, containing up to 100 photos, for only \$19.95. Dedication web pages are visible to anyone searching the Internet. Users also can link dedications to social media websites, such as Facebook, MySpace, and Twitter, making them easy to share.

New users can create a test dedication web page and view it without committing to pay for it. Once they are happy with the results, they can purchase their editable dedication for only \$19.95. The I Love This Person website is available at [www.ILoveThisPerson.com](http://www.ILoveThisPerson.com).

### **About**

### **Robipau**

The I Love this Person website is a service of Robipau. Robipau develops and promotes virtual products on the Internet that emphasize the good in humankind. They believe that the potential of the Internet is enormous yet still in its infancy. They endorse the entrepreneurial spirit that exists and is inherent in all of us globally. Robipau works daily with entrepreneurially minded individuals from around the world who have a well thought-out virtual business concept but needed assistance in converting their concept into a revenue-generating Internet business. For more information, visit [www.robipau.com](http://www.robipau.com).
