The Sailing community in Coastal North Carolina. Very protected, .5 to 2.5 acre homesites, nice breezes, friendly atmosphere. Share stories with fellow sailors and cruisers at our clubhouse inspired by the lifesaving stations along the Outer Banks. Just off the ICW with direct ocean access and deep water with 40' to 60' foot boat slips. Community located near Oriental and New Bern. If you've been thinking about a lifestyle on the water, now is the time. With planned completion for Fall 09/Spring 10 we are still offering our remaining homesites at pre-construction pricing and for this one day only event, 5 waterfront homesites will be offered at an additional price reduction.

Event begins at 9am and features property tours by land, or see the property by water on a 40' sailing yacht. Enjoy the hospitality of our host, Harris House on Cedar Creek, along with coastal food and beverages. Register now to receive sale details. Contracts accepted for sale lots on this day only.
