[Florida Inspection Associates](#) extends best wishes on APCO/EasyCare's 25th Anniversary

Florida Inspection Associates celebrates partnership; growth

Florida Inspection Associates wishes to congratulate partner EasyCare in reaching a significant milestone: 25 years of success. "We applaud the entire EasyCare team on this milestone. EasyCare shares our dedication to customer service. This passion along with their innovative repair coverage and other benefit programs, has helped dealers and consumers alike enhance the car purchasing process for 25 years. We are proud of all they have done for our industry," offers Bill Schultz Sr Owner and CEO Industry leader EasyCare provides vehicle service contracts (frequently referred to as "extended warranties") and value-added programs such as key replacement coverage and dent coverage to consumers through over 2000 dealers nationwide.

"EasyCare's commitment to providing programs that build long-term customer loyalty makes them a tremendous asset as a partner. We look forward to partnering with them for another 25 years," shares Bill Schultz.

Florida Inspection Associates has been providing [Mechanical](#)

[Inspections](#) and [Appraisals](#) since 1987 to extended Warranty and Insurance Companies nationwide.

About EASYCARE®, an Automobile Protection Corporation brand

Founded in 1984, Automobile Protection Corporation-APCO is the leading independent provider of automotive benefits specifically created to enhance a consumer's vehicle buying and ownership experience in ways that create long-term bonds between the consumer and their dealership. APCO's benefits are provided through a network of over 2200 franchise auto dealers under the EasyCare brand, as well as on behalf of some of the most preeminent manufacturers in the automotive industry, including Jaguar, Land Rover, Mazda and Volvo. With over 1.8 million contracts currently in force, APCO has paid nearly \$2 billion in claims, including approximately \$180 million in the last 12 months.
