

An Impressive Autumn SofaSofa Double Discount Sale

Released on: September 24, 2009, 6:51 am

Author: [SofaSofa](#)

Industry: [Retail](#)

The SofaSofa Autumn double discount sale is now on, however, they have gone even further with this exclusive offer and have discounted an additional 10% off all these autumn sale prices.

SofaSofa uniquely manufactured all their sofas in the UK. SofaSofa have over 60 sofa styles and ranges, with ranges of well made leather sofas and comfortable multipurpose sofa beds, all of which are available in an impressive collection of colours and quality fabrics. They also have a 21 day money back guarantee policy. For that reason, if after purchase you feel the chosen [sofa](#) is not quite right for the home, it will take is back without any questions.

SofaSofa is pleased to announce the start of its largest ever September Sofa Sale, with vast savings on their entire range of sofas including their ever popular, well made [sofa beds](#) and [leather sofas](#). SofaSofa have a long standing reputation of producing the high quality sofas that are completely affordable. This September they have gone that step further with a double discount Sale. Therefore, until 5pm on the 5th October 2009, all sofas and sofa accessories are cut in price. As a result, SofaSofa are now providing the very best quality sofas at even better prices, exclusively for the month of September.

SofaSofa currently holds the UK's largest range of sofa designs available direct from any manufacturer. They continue to upholster all their products in UK workshops, thus ensuring the very highest levels of product safety and quality control. In an era when many manufacturers have abandoned the UK in favour of cheaper imports, SofaSofa remain committed to producing within the UK. With the production of sofas locally based, this company unlike many are able to maintain the highest standard and quality, therefore guaranteeing a fast and efficient delivery service every time. Consequently, this results in high efficiency in manufacturing and delivery, cutting out any transfer costly issues that can commonly arise with external or abroad manufacturing. SofaSofa work very hard to positively contribute to significantly lower carbon emissions. With over 26 years' experience of selling sofas direct to the UK public, nobody has more know-how than SofaSofa. When it comes to producing high quality sofas at affordable prices, this company are sure to deliver.

The SofaSofa autumn double discount sale ends at 5pm on 5th October.
