Colleen Slater, mother of three, and still in full time employment has managed to create a blogging income most professional bloggers would be envious of. One product has helped her achieve this success -- Firepow blogging software.

Colleen advises that men and women worldwide will now be able to access the power of Firepow blogging software with the launch of its brand hot off the press \$1 trial. For under the cost of a cup of coffee you can now make passive profits as a niche blogger and get complimentary coaching.

Colleen Slater, the owner of <http://www.Firepow-Software-Review.com> and <http://www.BlogInferno.com> is pleased to make known the launch of the Firepow \$1 trial.

"This is really thrilling news," says Colleen. Colleen has been using Firepow blogging application for over a year and has managed to arrive at an income of \$23,000.00+ PER month whilst still working in her day profession.

"I was blogging way before Firepow launched and have been utilizing it for over a year now and there's no way I could blog as much as I do exclusive of Firepow. Now with the \$1 trial more and more people all over the world are going to be able to get access to this tremendous weblog application and group of people," explains Colleen.

Colleen is a fellow Australian like Andrew Hansen, the creator of Firepow who presently is living in Canada. "I frequently chat to Andrew about Firepow and as I think of an improvement to Firepow as I'm blogging I send Andy a communication via skype and more often than not he implements them. We'd had quite a few discussions about a \$1 trial before it was released and I'm ecstatic to see it finally ready."

To get instant access to the \$1 Firepow trial and to get Colleen's personal one on one mentoring PLUS exclusive bonuses go to <http://www.Firepow-Software-Review.com> while her offer is still available.
