Industry: [Marketing](#)

(September 11, 2009) Atlanta, GA - [Video Copy Services](#) (VCS), an Atlanta-based CD and DVD duplication company, is pleased to announce the recent addition of Clark Cofer as National Account Manager/Sales. Cofer comes to VCS from Next Generation Media (formerly Allied Vaughn) in Atlanta, and brings with him over 16 years of industry experience including the sale of video duplication, replication, digital media and associated printing requirements.

"We are very excited that Clark Cofer is joining the VCS team," says George Helms, President of VCS. "I'm confident that Clark's client and industry knowledge combined with our exceptional staff will result in continued growth and a very promising future for VCS."

About

Founded in 1984, VCS is a [CD and DVD duplication company](#) offering

VCS

full HD capabilities and a broad range of audio and video services. Since 1997, their focus has been on providing [broadcast videotape duplication](#), [CD duplication](#) and [DVD duplication](#) services to the broadcast industry, film and music industries, religious groups, government agencies and corporate clients. VCS accommodates a wider range of video formats than any other video duplication company in the Southeast and routinely handles production runs from one to one million copies. An industry leader in [video encoding](#) and [video transcoding services](#), VCS has recently expanded its range of supported HD formats with the addition of new HDcam SR, HDcam, HDV, and HD DVC Pro machines, and will add Final Cut Pro video editing capabilities in early October, 2009.

VCS is proud to have served as Turner Broadcasting's in-house provider of DVD duplication, DVD replication and video transfer services since 2001. The company is also a proud recipient of an A+ rating from the Better Business Bureau.
