GoCubans.com has great news for all Cohiba fans as customers can now buy Cohiba Siglo IV for a reduced price.

Basseterre, Saint Kitts and Nevis, October, 2009 – One of the online companies that found success in a short period of time, GoCubans.com is especially appreciated for the quality of the habanos it sells and the reliable services that accompany this. One of the most recent of the products that www.gocubans.com sell is Cohiba Siglo IV.

Cohiba Siglo IV is a Corona Grande Cuban cigar that is very popular due to the complexity of the flavors it includes. This spicy cigar includes musk aromas that make it a very special smoke for every aficionado. 5.6 inches in length, Siglo IV is one of the most popular choices that Cohiba lovers make. The product is available presented in 25 cigars packs at GoCubans' Cohiba category.

"As Cohiba is one of the most often mentioned brands by our customers, we try to add as many of this brand's products as possible. This is the reason why the aficionados around the world can now buy Cohiba Siglo IV from our website", said Noah Silvestedt, who is the PR Manager for GoCubans.com.

The company temporarily offers Cohiba Siglo IV for a discounted price. For reading more about the company's offers and for a better image on what are the main Cohiba products the company sells, visit www.gocubans.com.
