Icecool.co.uk announces its Raindrop Diamond Necklace and Dewdrop Diamond Earring Collections. These elegant ranges of diamond jewellery in 18ct white and yellow gold offer a touch of film star glamour: chic, classic yet affordable looks for diamonds this season.

This Autumn/Winter sees a return to elegance and tailoring, with a hint of effortless Hollywood glamour. To enhance this season's look, www.icecool.co.uk now offers two collections of stunning yet affordable diamond earrings and diamond necklaces.

Modern yet traditional, Icecool's Raindrop Collection includes a fine chain in 18ct white or yellow gold featuring single collet-set diamonds with a choice of either six or nine diamonds.

The Dewdrop diamond earrings are the newest addition to Icecool's fabulous diamond jewellery collections. Available in 18ct white gold set with diamonds, hanging from single diamond ear studs, Dewdrop Diamond earrings have a total diamond weight of 1.83cts.

Visit www.icecool.co.uk to view the whole diamond jewellery collection and the You Dream, We Create bespoke service, which offers clients the opportunity to design their own diamond jewellery.
