Sales people and customer service representatives are your most valuable assets. Doesn't it make sense to keep your employees

motivated and happy? Travel certificates are an affordable, yet highly coveted reward for a job well done. Give your top performers a well-deserved break that leaves them rested and ready to return to a job they love. Vacation certificates are great recruiting tool as well.

Each vacation certificate guarantees you and your customer 3 days and 2 nights in deluxe hotel accommodations in a choice of 18 cities. You simply mail in the vacation certificate or register it online with your choice of one of the cities and a \$12.00 processing and handling fee.

These room nights are worth up to \$400.00 for the two nights.

We made it extremely easy and affordable for any business to utilize our travel certificate. Instead of having to purchase certificates individually, we have provided for a small fee, allowing you to print an unlimited number of certificates anytime you want 365 days a year. Whether you need 100 or 100,000 you will quickly come to see that it's considerably less than paying for each one individually.

Why we are different than other companies. We only charge your customers a processing fee of \$12.00, not the \$15.00 and higher all other companies charge for a processing fee. Your unlimited printing does not run out after a year either.

WHEN YOU PURCHASE OUR UNLIMITED TRAVEL CERTIFICATES YOU RECEIVE THE FOLLOWING:

Printing of the Certificate: You will receive an online account where you will login at to print an unlimited number of certificates to hand to your customers. There is no limit on how many certificates you print.

Resell the Certificates: We allow you to sell the certificates for any price you wish. You can make a significant income selling the certificates to other companies.

Personalization: You can personalize the certificate to include your business name and/or website address in the "Compliments of" area. Your information will show on both the printed certificates. You can change this information as many times as you want, so if you have more than one company, you can print separate certificates with each business name on them.

Personal Administration Area: You will receive access to your own administration area on our website. You will then be able to log in and customize your certificate with your own business name, or with whatever you would like.

This vacation certificate guarantees you and your customer 3 days and 2 nights in deluxe hotel accommodations in a choice of one of 24 destinations below. You simply mail in the vacation certificate or register it online with your choice of one of the destinations and a \$12.00 processing and handling fee. These room nights are valued up to \$200/night!

You will use your reservation form to specify the dates you wish to travel and then send in the form to the fulfillment center to have your dates booked. A written confirmation letter will then be sent to confirm your arrival date and hotel accommodations. You are guaranteed to receive your requested travel dates when booking reservations 60 days in advance and not selecting holiday weeks or weekends.

Our Travel Certificates are proven sales tools that stimulate sales activity and generate interest and traffic. Travel incentives are an excellent high-value low-cost way to inspire and motivate employees. Vacations, perceived as a luxury by many, provide a tangible, highly motivating force. Travel incentives can be used to reward a sales team for meeting quotas, or for meeting deadlines. A travel gift certificate is sure to satisfy those hard to please customers and employees.

There are no strings attached, no timeshare presentations to attend, and no sales pitches associated with this offer GUARANTEED.

Thank you
