Canaan, Connecticut – Mountainside Treatment Center announces the appointment of Wendi Shami MS, LCSW as the company's Clinical Program Director. With more than 10 years of experience working in the mental health and addiction/alcoholism treatment field, Ms. Shami will be responsible for building and strengthening the therapeutic program, managing the treatment teams and introducing new evidenced based practices and identifying growth opportunities.

Ms. Shami brings extensive knowledge in the addiction treatment and therapeutic field and has an extensive career in the management of teams, cases and knowledge of therapeutic best-practices. She has helped many organizations to develop

and execute initiatives including staff development and effective treatment team and efficient therapeutic case oversight.

Originally from Westchester she earned her Masters degree in Clinical Social Work at Columbia University in New York City and completed post graduate training in Family Counseling at the Ackerman Institute in New York City. Her areas of specialization include the treatment of addictions, co-occurring disorders, family therapy and counseling.

About Mountainside Treatment Center

Mountainside drug rehab is a comprehensive and innovative provider of treatment for individuals suffering from drug addiction and alcoholism. The Mountainside treatment team and staff are dedicated to providing an unsurpassed treatment experience to its clients. With diverse areas of expertise, the treatment team works collaboratively with each client and their family to ensure that an individualized treatment plan is designed that will treat not just the symptoms, but the whole individual. With professionalism and compassion, each client is guided through every stage of recovery and encouraged to participate in a wide variety of evidenced-based and cutting edge innovative treatment options.

Mountainside's licensed and credentialed counselors, social workers and clinical staff includes a Nursing Team comprised of our Advanced Nurse Practitioner and Registered Nurse with specialization in drug addiction and alcoholism treatment.
