Resurrection Mary has been around since the 1930's. If you ask anyone in Chicago about her story they are sure to know the details. Mary seems to have gained a respect that is not apparent in any other ghost story.

Bachelor's Grove is possibly one of the most haunted places in the world.

The Eastland Disaster On July 24, 1915, the city of Chicago witnessed a site that some compare to Hell itself. 835 people died when the Eastland capsized at the dock.

Several buildings in the city were used as temporary morgues including Harpo Studios. These buildings are very haunted!

No Chicago ghost tour would be complete without Al Capone and John Dillinger! A couple of old breweries that Al Capone owned are haunted.

Biograph Theater John Dillinger was shot down in the alley next to the Biograph.

Many strange things have gone on in that alley. Are you brave enough to walk down the alley and try to capture an orb on your camera?

Some more locations that we cover are:

The site of the St. Valentine's Day Massacre, Chicago Water Tower, Hull House, Maple Lake, Haunted Totem Pole, Grime Sisters, Italian Bride, Our Lady Of The Angels, Flight 191, Rialto Theater, St. James, Des Plaines River, Riverside Bleeding Stop Sign, LaGrange Library and LaGrange Theater, And much, much, more!!!
