Unique and practical gift is the perfect party favor for all occasions

MENOMONIE, Wis., October 2009 -- SimplyWeddingStuff.com, the ultimate online destination for unique wedding favors, bridal shower favors and gifts today introduced personalized placemats that come in a colorful variety of themes, making them perfect decorations and party favors guests can take home after the festivities have ended.

"In this economy, customers are looking for festive ways to keep party costs down, while still creating a memorable and fun event," says Brenda Knutson, customer service manager, SimplyWeddingStuff.com. "At about a dollar a piece, these new personalized placemats double as party décor and a favor that guests can take home to reuse. Great for birthday parties, bridal

showers and baby showers, anniversaries and baptism, the placemats are a hit with guests and make cleaning up a breeze for the host.”

Bridal shower themed placemats come in elegant, colorful and whimsical themes, from a bride’s silhouette to clinking champagne glasses. Baby shower themes include Under the Sea, Ladybug, Baby Boy and Baby Girl and Trendy Mommy. Birthday themes include milestones birthdays such as 1st, 40th, 50th, with designs ranging from elegant, cute, fun and kid friendly. Rounding out the vast selection of placemats are matching invitations, thank you cards and banners and decorations, for a complete party ensemble. The minimum order for placemats is 16, but any quantity above minimum can be ordered.
