Elemis, the British spa and skincare brand, has revealed its new range of limited edition Christmas collections each containing award-winning hero products.

Among the Elemis Christmas gift sets is Prestige Pro-Collagen, the ultimate anti-ageing collection. Featuring a range of clinically proven anti-aging products, this set includes three full size products plus a 100ml jar of best selling [Elemis Pro Collagen](#) Marine Cream. This collection offers the customer exceptional value with savings of over£140 rather than buying each product separately.

Products in the Skin Perfection collection utilise a clinically proven tri-enzyme system that results in smooth, radiant and younger looking skin. This collection features Tri Enzyme Resurfacing Facial Wash, Pro Collagen Marine Cream, Tri-Enzyme Resurfacing Night Cream and the latest edition to the Tri-Enzyme range, Tri-Enzyme Resurfacing Gel Mask.

Also on offer this Christmas from [Elemis](#) is the Spa Body Secrets collection, an

indulgent set of spa-at-home [body care](#) products that are designed to help the customer relax and unwind. Included in this collection are products from the Elemis Exotic Range such as Exotic Frangipani Monoi Moisture Melt and Exotic Frangipani Monoi Bath and Shower cream.

A variety of Elemis body care products are also included in the Christmas mini treats collections this year. Homespas for Hands contains anti-ageing body products including the new Pro-Collagen Body Serum Intensive Lift and Pro Collagen Hand and Nail Cream as well as Gentle Rose Exfoliator. The Exotic Treats body care collection features Exotic Island Flower Body Balm, Exotic Frangipani Monoi Bath and Shower Cream and a Lavender Travel Candle from the Candle Trio Collection.

Sets from Elemis' well established [men's grooming range](#) are also available this festive season. Total Men's Grooming contains five treatment products including Ice-Cool Foaming Shave Gel, Daily Moisture Boost, Energising Skin Scrub, Deep Cleanse Facial Wash and S.O.S Survival Cream.
