Icecool Diamonds announces the launch of a new website dedicated to extraordinary investment diamonds and bespoke diamond jewellery design.

Icecool Diamonds is backed by unrivalled experience and expertise combined with a legacy of trust and tradition and is part of the diamond jewellery division of leading diamond brokers H. Goldie & Co, one of the oldest and most established diamond brokers in the world.

The new Icecool Diamonds website is devoted to an elite, hand-selected collection of diamonds. These fabulous diamonds can be purchased loose, as objects with significant investment potential, or set into bespoke innovative, contemporary jewellery designs.

With exclusive access to the world's finest diamonds, Icecool Diamonds now offers discerning jewellery devotees and diamond connoisseurs around the world the opportunity to acquire diamonds of absolute integrity and excellent quality, in terms of cut, colour, clarity, and in a wide range of sizes, shapes and carat weights, at the best possible prices, representing supreme value.

Icecool Diamonds introduces an expertly hand-chosen collection of investment diamonds. Each one of these twelve exceptional, 3+ carat

solitaire diamonds is unique and extraordinary, with different characteristics, the very best of the best.

These diamonds represent a superb opportunity for long term investment: they have been cut and polished to the most exacting standards, by Venus Jewel.

Venus Jewel are world-leading diamantaires, celebrated for their dedication to perfection and in the world of diamond manufacturing, leading the way in the most sophisticated and advanced technologies. Their world-class branded solitaire diamonds are supported by a rigorous grading and certification system that goes way beyond the standard classifications.

For those chasing the ultimate diamond jewellery dream, Icecool Diamonds also offers a superlative bespoke jewellery design service, bringing the chosen diamond together with a highly personalised creation.

Just as each diamond has its own personality and character, so each bespoke Icecool Diamond jewel will be the perfect expression of individual style, whether classic, traditional, romantic or sleek, sharp and contemporary.

Mark Walker, Creative Director of Icecool Diamonds, world-renowned as a diamantaire, diamond trend expert and design director, works personally with each client to bring visions to life and create a ravishingly rarefied, precious and personal diamond jewel.

Visit the new Icecool Diamonds site, log on to [www.icecooldiamonds.com](http://www.icecooldiamonds.com). A free mail order book is also available via the website or by calling 020 7831 7648. SPEAK TO A DIAMOND EXPERT CALL: 020 7831 7648, 9am-5pm, Monday-Friday.
