[Malibu, CA] - Sunset Malibu, an exclusive treatment center on the California coast, has long been a transformational force in the field of rehabilitation and recovery. Now, Sunset is announcing its redoubled efforts in setting the standard for the rest of the state's luxury drug rehabs.

Addiction treatment is never easy. To be successful, [rehab](#) patients need the best possible support along the road to wellness. The most effective drug rehabs, then, are those which provide clients with the most hospitable amenities and accommodations. In the end, there's simply no substitute for luxury and personal comfort.

Those considerations, in turn, are at the heart of Sunset Malibu's treatment philosophy.

With its world-class caregivers and elegant accommodations, Sunset Malibu is an unparalleled recovery destination. The center has always catered to upscale clients from every corner of the globe. Now Sunset is renewing its commitment to its core values, with the goal of delivering life-changing care to individuals who seek it. At Sunset Malibu, the client always comes first.

"Rehab shouldn't be painful," said the clinical team at Sunset Malibu. "Our elegant drug rehab facility ensures that our residents can heal in comfort and seclusion—which is why so many of them achieve such meaningful and lasting recovery."

Unfortunately, that passion for luxurious treatment sets Sunset apart from its competitors.

Many drug rehabs offer "luxury treatment programs." Only a handful, though, really deliver on their promises. In fact, some of the most well-known luxury drug rehabs in Los Angeles are far more "luxurious" in their advertising brochures than they are in real life. As should go without saying, these institutions routinely fail to help clients get all the way to where they need to go.

Under the circumstances, those shortcomings are inexcusable.

"There are no second chances in the rehabilitation process," Sunset's therapists said. "You either get it right the first time or your client suffers unthinkable consequences. At Sunset Malibu, we believe that we're both professionally and ethically obligated to ensure that our residents enjoy an ideal treatment experience."

Drug addiction ruins lives. Drug rehabs can solve them, but only if they're administered with empathy and expertise. Sunset Malibu has proven itself capable of helping clients heal from the inside-out. Now more than ever before, the center's residents have reason to believe in a healthier and more hopeful future.
