Highly-experienced family/divorce attorney RK Hendrick has just released his groundbreaking 21st century survival guide for men of almost every age who need protection from the harmful legal and predatory social practices directed against them!

SALEM, Oregon-- Willamette Publishing Group in conjunction with ProtectionForMen.com is pleased to announce the release of author RK Hendrick's controversial and exciting new book: ***How To Avoid "Getting Screwed" When Getting Laid***. An informative 21st century survival guide for the modern male, ***How To Avoid "Getting Screwed" When Getting Laid*** is an inspirational tool for both single and married men throughout North America and living in any western country.

How To Avoid "Getting Screwed" When Getting Laid is as much about providing answers and solutions as it is about scrutinizing problems and injustice. Exhaustively researched and passionately authored by RK Hendrick,

Esq. who has worked in the trenches of family law for the better part of two decades, this new work is a veritable godsend for the modern male. Former pro tem judge, prosecutor, defense attorney, and divorce attorney, Hendrick states his book is a must-read by every adult male, regardless of race, religion or social status.

Whether you're 18 or 88, ***How To Avoid "Getting Screwed" When Getting Laid*** can help men everywhere! It can save your personal fortune, give you equal footing in a custody battle, keep you from unknowingly settling down with a "breeder," teach you how to avoid getting slapped with a restraining order, and show you the warning signs of a problem relationship before it's too late. This book shares story after story revealing how men can fall victim to those who want to set them up for arrest, deceit, financial abuse, or slowly drain their finances until they have been sucked dry.

RK Hendrick has prosecuted and defended thousands of clients in his home state of Oregon, and says that working full-time now as a writer and entrepreneur has become his main passion.. ***How To Avoid "Getting Screwed" When Getting Laid*** promises to be but the first of many innovative, eye-opening, provocative tell-alls he plans to write to protect and prepare men against whom the scales of justice have shifted substantially. ***How To Avoid "Getting Screwed" When Getting Laid*** is currently attainable in either paperback or hardcover copy at www.protectionformen.com or on amazon.com
