Women's fashion brand Roman Originals makes shopping in 2010 easier, helping women become intelligent, money saving, savvy shoppers in 2010!

Traditionally Roman Originals has ranges of ladies clothing and stylish accessories, such as hats and bags, [shrugs and bolero's](#), womens underwear available in over 150 outlets across the United Kingdom, as well as online. Nevertheless due to increasing demands over the past year, all their garments are now also available online to international customers. As a result, customers outside the United Kingdom are now able to order online from Roman Originals, with no fuss.

Roman Originals believes that there are ten clear reasons to shop with them in 2010. Come 2010 all customers are guaranteed a superb choice with over 30 new styles each week. In addition every garment made will continue to be created using only quality fabrics and stylish yet practical designs. However, as this high quality production continues to soar, the prices certainly will not. The new order by phone and customer

services support options, make ordering a lot quicker, easier and hassle free. What's more the Roman Originals site offers secure Pay Pal transactions and accepts all major credit and debit cards. Leaving each customer feeling confident and safe in the knowledge that every purchase made is a 100% verifiably secure transaction. With free UK delivery on all orders of £45 and more along with a variety of promotional offers and web exclusives online or sent via email, customers cannot help but become intelligent shoppers in 2010.

Customers visiting the site can also sign up to receive the Roman Originals catalogue. The catalogue which is issued on a monthly basis keeps customer up-to-date with all the seasons' trends as well as the latest additions at Roman Originals. For those who like to keep a close eye on fashion, there is also an email list which allows those on the list to be privy to the latest fashion news and details of Roman Original's special offers. If that was not enough, in order to welcome new customers, all new customers in 2010 will receive 10% off their first order.

For those that love fashion advice and tips, Roman Originals have a weekly updated style and fashion blog. The blog keeps customers up to date with Roman Originals latest ventures not to mention all the latest trends, fashion advice, tips and tricks to help any women look and feel their very best for 2010.

Roman Originals is set to continue producing the very best women's clothing and accessories garments, helping to create fully functional wardrobes which are not only stylish but also provide everyday comfort and practicality.
