

AMOR PROFESSIONAL
REAL BEAUTY REAL KERATIN

Have you ever dreamed of stick straight, sleek and sexy hair?

You are not alone!

With this luxury, chocolate aroma therapy your hair will be instantly sleek, frizz free, shiny, soft and straight!! The Amor Therapy is an advanced process that transforms the hair from the inside - out. This treatment is based on cocoa and a mixture of silicons and keratin, the primary protein of the skin, hair and nails. This natural substance gives hair the ability to return to its original healthy, soft, shiny, and smooth state.

About Amor Therapy

This treatment can be applied on all hair types including: damaged, virgin, chemically treated, bleached, highlighted, and colored. The entire application process takes between 60-90 minutes depending on the hair length and type. After the treatment solution is applied it is sealed with heat. This procedure traps moisture, hydrates the hair and creates a glossy finish. The results are immediately visible and last for a period of 4-5 months.

Our product are being used at high-end salons around the world...

Frequent Questions & Answers

- **What is the Amor Therapy?**

A revolutionary hair treatment that offers a significant protection and beneficial fats that restores any damaged hair by keeping the external layer of keratin moisturized and prevents cracking and splitting. Brings dead hair back to life instantly without adding any damage.

- **Why chocolate?**

This treatment is intensive; it will reinforce the inner hair structure and restore the natural elasticity from within. It contains cacao extracts, chocolate fragrance, hydrolyzed keratin, vitamins, collagen, poliquaternio and mixture of silicon's. It will reduce volume, smooth the hair, and increase hair brightness.

- **What types of hair can be treated?**

All hair types especially curly, thick, porous, damaged, dry, colored, and highlighted hair.

- **Will this product effect the hair color on bleached and highlighted hair?**

Cacao bean powder is a clear ingredient with no-color therefore it will not modify the color of the hair.

- **How long will my hair remain straight?**

The results last between 4-5 months.

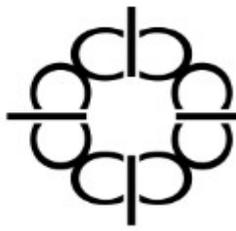

- **Once the roots grow out will I need to touch up?**

No, it will fade progressively as you wash your hair.

- **How long will the application take?**

The application process takes the stylist anywhere from 40-90 minutes depending on the length and thickness of the hair.

- **Will this treatment work on colored hair?**

Yes, this new technology can treat and restore any type of hair: colored, bleached and damaged hair.

- **How long after the treatment can I color my hair?**

You can color your hair 10-14 days after the treatment. It is okay to color the hair before the treatment (even on the day of or day before!)

- **What are the expected results?**

Soft, straight, shiny, silky smooth and no frizz! The hair looks healthy and youthful. Very easy to manage on a daily basis – just wash and go...

- **How should I care for the hair after the treatment?**

You should maintain the hair with our aftercare shampoo and conditioner set for long lasting results.
