

Botox Effect on Hair with Amor Professional...

Released on: February 03, 2010, 2:52 am

Author: [Amor Professional](#)

Industry: [Retail](#)

If you dream of straight and sexy hair, Amor Professional is now offering you the unique opportunity to realize your dream. Amor Professional will launch the **NEW CHOCOLATE BLOWDRY HAIR TREATMENT** to the international market this month...

Upon recommendation by her stylist, **Nicole Richie**, who is followed avidly across the world by her fans, has taken her place among the ranks of other famous stars such as the top model **Elizabeth Hurley** and **Lindsay Lohan** using the Chocolate Blowdry Treatment...

Can a hair product change your life?

Especially for women, who have to spend hours at hairdressers just to find a solution to their curly and frizzy hair, Amor professional promises a sexy, feminine, elegant and sophisticated look. The product continues to be effective for a period of 4 to 5 months following its application...

The Glory of Gold is reflected on your hair...

The creator of the brand and Beauty Expert Chai Moore states that you cannot take your eyes off the lustre created on blond hair especially by the gold dust available in the GOLD Line of Amor Professional, which has been accepted worldwide as an ideal product for the modern and active businesswomen of the fast paced world of today...

The chocolate that no woman can say no to is now at Amor Professional...

Amor Professional, which has silicon and cacao extracts besides keratin that is one of the building blocks of human body as its ingredients, restores your hair back to its healthy, shiny, straight and well-maintained state...

The product straightens the hair and in the process it moisturizes and provides care. With its chocolate content that no woman can say no to, Amor Professional is a candidate to become an indispensable tool especially for the working women...

You can try Amor Professional at most well-known hair salons around the world...
