Easter is almost upon us. In the run up to the holiday, that normally brings with it the first glimpses of good weather and the desire to go away for a short break, Blackcircles.com has decided to put together some rather exciting offers to help you save some pennies.

The first of the three great deals is that customers can save £25 off their order when they purchase 4 <u>Hankook tyres</u>. The only stipulation with this is that the 4 Hankook tyres have to be the same size and model. This will be running until the end of March.

On top of this great offer, if a customer is buying tyres and chooses the mail order option then they will be happy to know that delivery is free until the end of March. This should be of interest to motorbike owners in particular, as all motorbike tyres sold through Blackcircles.com at moment are sent out mail order.

The final deal we have put together is a double celebration of sorts. This is because at the start of March we began a fantastic full service option for all motorists looking to benefit from a highly tuned, vehicle specific, competitively priced service for their car.

So, as it is the time of year for a spring clean and it is always a good idea to keep your car maintained regularly, we are adding a further incentive to having a <u>full car service</u> booked through Blackcircles.com - every person that books a full service will be sent a single-use voucher that will entitle them to £20 off their next tyre purchase. This offer will

run until the end of April and the voucher will be valid until the end of the year.
