SEO Expert Nevil Darukhanawala Launches SEO Training Videos

SEO Optimisation Experts

Released on: April 01, 2010, 12:02 am Author: Nevil Darukhanawala SEO Expert

Industry: <u>Internet & Online</u>

Learn SEO for USD 50 Lifetime Membership – is the catch line for this New SEO Training Video Series, which has over 3.5 hours of SEO training - from Keyword Discovery, Optimization, Content Strategies, Link Building Strategies, to Traffic Generation Strategies. Most of all, it will teach you how to make money online.

The SEO Training Video Series has been launched by SEO Expert, Nevil Darukhanawala who is the CEO of "SEO Expert India", a SEO Consulting Company managing clients from USA, Canada, Dominican Republic, Belgium, India, Dubai and Australia.

Nevil Darukhanawala also runs SEO Training Workshops in Mumbai, India in partnership with OCI (Open Computing Institute). "The idea was to take The SEO strategies I teach at these 6-day workshops and attempt to share the knowledge taught in these workshops with the rest of the world at an affordable rate of USD 50 for a lifetime membership" says Nevil Darukhanawala.

The Seo Training Video Series contains 15 videos of 15 to 20 minutes each, which cover step by step fundamental SEO/ SMM principles, advanced strategies and techniques for achieving higher rankings for any keyword/ any website.

"The strategies taught in these videos are the same that I apply for my website and for my clients from across the globe. These are the same

strategies that helped me rank in Google – Position # 1 for keyword "seo expert mumbai", Position # 4 for keyword "seo expert india", and Position # 26 for the keyword "seo expert" which is a global keyword with very high competition from SEO experts around the world", says Nevil Darukhanawala.

The SEO Training has been specially developed for online businessmen, b-school students and professionals in the fields of advertising, business development, marketing, web development, web design, content, webmasters and SEO enthusiasts.

The SEO Video Training will help you gain genuine top SEO placement skills within the shortest period of time. After watching the SEO videos you will be able to cultivate a healthy buzz and improve visibility of any brand, product or service.

So stop wasting time chasing algorithms and discover and experience a different "Value & Strategy" based approach to SEO and SMM skillbuilding.
